Q90- Nowadays there's a lot of talk about international organizations. People sometimes say that international organizations should prioritize improving people's lives, even if this may imply that decisions are not made democratically. What do you think should international organizations prioritize, being effective or being democratic?. If your views are somewhat mixed, choose the appropriate number in between.

Q112- Now I'd like you to tell me your views on corruption – when people pay a bribe, give a gift or do a favor to other people in order to get the things they need done or the services they need. How would you place your views on corruption in [your country] on a 10-point scale where “1” means “there is no corruption in [my country]” and “10” means “there is abundant corruption in [my country]”. If your views are somewhat mixed, choose the appropriate number in between.
