Q90- Nowadays there's a lot of talk about international organizations. People sometimes say that international organizations should prioritize improving people's lives, even if this may imply that decisions are not made democratically. What do you think should international organizations prioritize, being effective or being democratic?. If your views are somewhat mixed, choose the appropriate number in between.

For these questions, a 1 means that you “completely disagree” and a 10 means that you “completely agree.” Because of science and technology, there will be more opportunities for the next generation
